GENERAL SECRETARY

SIR,

Payment of a portion of the Cattle Show realisations to the Sri Madduramma Temple at Maddur

---

I have the honor to forward herewith, a copy of letter No H2-399 of 39-40 dated 24th February 1942, received from the Deputy Commissioner, Mandya District, on the above subject, and to state as follows ,

2 The temples of Sri Lakshminarasimhaswami and Sri Madduramma are two religious institutions situated at Maddur The former is a major Muzrai Institution and the latter is a non-Muzrai institution It is reported that the cattle show in connection with the car festival of Sri Lakshminarasimhaswami and the jatra of Madduramma are being held on one and the same day at Maddur The annual income of the cattle show is reported to be about Rs 800, and this income is being credited to the funds of Sri Lakshminarasimhaswami after payment of 20% of the income derived from the cattle show, to the Maddur Municipality

3 The devotees of Sri Madduramma temple request that the temple may be treated as a minor Muzrai institution, and that half the income derived from the cattle show may be paid towards its funds

4 The Municipal Council of Maddur have resolved, in their meeting held on 13th April 1941, to pay half the income that would be realised from the fees collected at the time of jatra to Sri Madduramma temple

5 The dharmadarsis of Sri Lakshminarasimhaswami temple have resolved, in their meeting held on 12th May 1941, to contribute 1/3rd of the total income of the cattle show towards the funds of Sri Madduramma

6 The Deputy Commissioner is of opinion that the temple of Sri Madduramma need not be taken under Government management, as recommende by the local officers, but left to be managed by private persons interested in the temple, as at present and that ¼ of the realisation

77

out of the cattle show might be given to this temple, as this does not affect the scale of Sri Lakshminarasimhaswami temple The Deputy Commissioner, in his subsequent letter No H2-399/39-40 dated 15th March 1943 (copy enclosed), states that the cattle show is being held for the past fifty years, and that it is not possible to find out references to show the exact year from which the Jatra is held

7 The income from the fees realised from the cattle show and the jatra is being apportioned between the Municipality and Sri Narasimhaswami temple, in the ratio of 20 80, in accordance with the standing orders of Government passed in 1936 (vide G O No 5168/L B 54-34-12 dated 11th January 1936)

8 I agree with the recommendation made by the Deputy Commissioner, and request that sanction of Government may kindly be obtained to pay ¼ of the net income from the cattle show to the Sri Madduramma temple, a non-Muzrai institution at the place, as it is stated that the large congregation of men and cattle is due to the jatra of Sri Madduramma, which synchronises with the car festival of Sri Narasimhaswami

9 The records received with the Deputy Commissioner's letter are herewith sent for reference and return

Sir,

Re Taking over Madduramma temple at Maddur under the management of Government

---

I have the honour to forward herewith the connected papers on the above subject ending with report No.Muz C 810/39-40 dated 2 30th January 1942 from the Sub Division Officer, Mandya, and to state that the contention of the devotees of the Madduramma temple is to treat the said temple as a minor Muzrai Institution and to pay to its funds half of the income derived in the cattle show held at Maddur annually during the Car Festival of Sri Lakshminarasimhaswamy at the place The annual income of the cattle show is reported to be about Rs.800/- and this income is being credited to the funds of Sri Lakshminarasimhaswamy after the payment of 20% of the income derived from the cattle show to the Maddur Municipality The jatra of Maddaramma and the cattle show are being held on the same day at Maddur. The Patchalikas of the villagers expressing their willingness to take the institution under the management of the Government, the resolution of the Dharmada sis of Sri Lakshminarasimha swami temple to contribute 1/3 of the total income of the cattle show towards the funds of Sri Madduramma and a copy of the proceedings of the meeting of the Municipal Councillors at Maddur who have resolved to pay half of the revenue that would be realised from the fees realised at the time of jatra to Madduramma temple have been enclosed in the records The temple is reported to possess no immoveable properties. A list of silver jewels possessed by the Goddess is enclosed in the records

It the above representation of the petitioners to take Madduramma temple under Government management nd to apportion half the income from jatra is conceded th income of Sri Lakshminarasimhaswami

p t.o

temple will b substantially reduced affecting its scale of expenditure I am of opinion that the institution need not be taken under Government management but left to t be - managed by private persons interested in the temple as hitherto But in view of the demand of its devotees and the resolutions of both the Municipal Council and of the Dharmadarsis of Sri Lakshminarasimhaswami temple, I think that ½ of the realisations out of the cattle show might be given to Sri Madduramma temple A reserve of Rs 863/- as proposed in the revised scale of Sri Lakshminarasimhaswami temple and the making over of about Rs 200/- being ½ income from cattle fair does not seem to affect its scale On receipt of orders on these proposals, the proposals for the revisions of the scale of Sri Lakshminarasimhaswami will be submitted

I have the honour to be,

Sir,

Your most obedient servant,

For Deputy Commissioner,
